

“Kindness” Cards

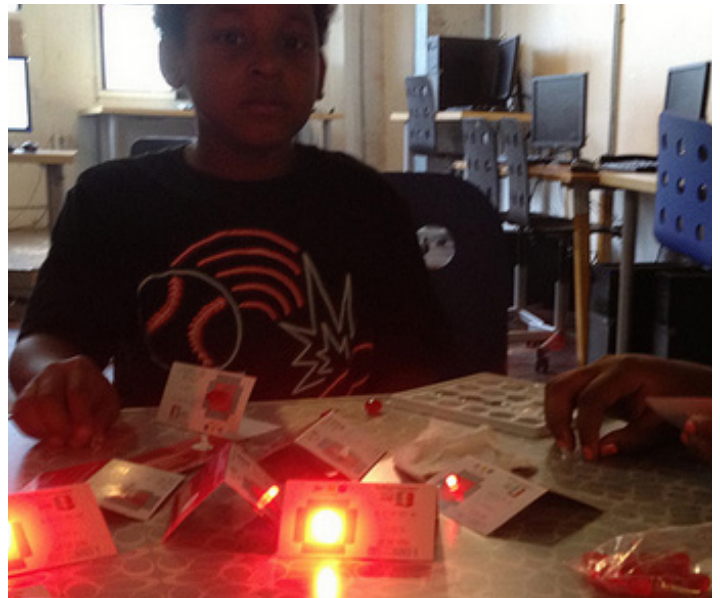

Sharing knowledge and learning through a customized simple circuit gift gift.

Guided sessions are easiest.

A message contained within.

Making to share @ the Village.

“Kindness” Cards

Unexpected uses or configurations of the simple card unit after their construction and gifting.

Unexpected use after sharing it with an older teen.

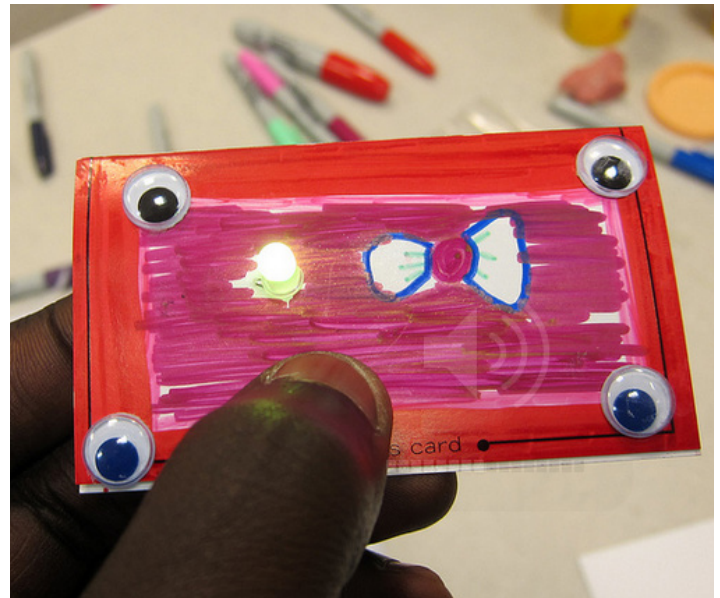

Unexpected reconfigurations

“Kindness” Cards

Uses of the kindness card after leaving a more open canvas or surface to work with.

Copper tape switch was added instead of a physical movement.

visible imagery no longer clouds understanding of interior circuit
